

Special procedures at the trap range during Covid-19 outbreak.

- Members only, you must wear your badge.
- Entrance to club grounds by card key/fobs only. When coming into the club pull through the gate and stop and wait until the gate closes so that anyone else coming in must use their card key. Use the same procedure when exiting the club grounds. This needs to be done so that we have a record of who is using the grounds.
- Shooting will start at 9:30 AM and end at 12:30 PM Friday and Saturdays. Any shooting outside these times will have to be scheduled in advance with the trap chairman.
- Social distancing will be strictly enforced. Stay at least 6 feet (2 meters) from other people and do not gather into groups. Only **members** exempt would be parent/child and husband/wife.
- Only one person may enter the trap house and one person outside the house for loading targets.
- Shooters must bring **exact change** to pay for their shooting. After shooting place your shoot fees inside of one of the provided envelopes with your name, badge number and amount clearly printed on the outside. No exceptions.
- Members that fail to comply with these procedures will be asked to exit the club grounds and their card keys will be turned off. They will have to come to the next board meeting to request reinstatement.

Members Name (please print clearly)

Signature
